SHIP'S MATE WAS RESOURCEFUL MAN

Larz Neilson Possibly Saved Life Of Ill Radio Man

(The following article appeared in Savannah Evening Press, Georgia, Oct. 8.)

An interesting story of the resourcefulness of a ship's officer was learned when the American steamer Coloradan, from the West Coast docked this morning at the Central of Georgia terminals. The hero of a sea drama which possibly saved a man's life and rendered valuable service to the owners of the Coloradan, is Larz Neilson, chief mate.

While the ship was at sea between Los Angeles and Panama, the radio operator was stricken desperately ill. His condition was such that he could neither assist in sending messages nor in getting his instruments working.

Mr. Neilson, who has a slight knowledge of the code, tackled the radio. Within twenty-four hours he had educated himself as to its mysteries. Slowly he sent a message to one of the company's ships which was bound to Los Angeles from the west coast. His message was intercepted by the sister ship which set a course to cross the route of the Coloradan.

The ill man was transferred to the other ship, which began a speedy run to Los Angeles. In the meantime, Mr. Neilson, who had proven so resourceful in the emergency, handled the radio duties aboard the Coloradan until the freighter reached Panama. In Panama the navy came to the aid and provided an operator who remained with the ship to Jacksonville, where a regular operator was procured.

LOCAL BOY ACCUSED OF SLAYING TRAMP

Gary Lester Ames, 14, son of Mrs. Hannah Ryder of Forest St., Wilmington, who left home on Sept. 10, to start life anew, is accused of the murder of Edward J. Billings, Chicago.

Don Leroy Gallaway, age 22, of Manafield, Ohio, is also accused of the same murder. According to County Attorney Guy Henninger of Kearney, Nebraska, Gallaway confessed to shooting Billings, and Ames confessed to mutilating the body with a penknife, then helping to throw the body from the train in which it happened, near Kearney, Nebraska.

The motive for the murder was given as robbery. Gallaway is married and the father of an infant son. Ames, well liked in Wilmington by those who knew him and considered him a model schoolboy, who helped to support his brothers and sisters.

The news of the crime came as a distinct shock for he had never been in trouble with the authorities here.

It also brings registration to a new high of two thousand, one hundred and nineteen, the largest the town has ever had.

TOWN BOWLING LEAGUE

The Wilmington Coal Co., paced by Paul "Twinkletoes" Galkas' total of 332, whitewashed Huntley's Lunch, 4-0, to remain in top place in the Town League. Like the Yankees, the Coal Co. has plenty of power. They also boast of a brilliant rookie in the person of Eddie Goldberg who, like his famous namesake in the Pitt backfield, can certainly raise havoc when he gets a ball in his hands. Ed, incidentally, had a total of 293 which played a big part in his team's victory.

The Silver Lake Market won their first match of the season by taking all four points from Buck Bros. The latter team made a very good showing but their best just wasn't quite enough to catch the Lake team. Louis Kleynen's total of 329 was high in the match. Jack Chisholm led Buck Bros. with a 293 total.

Carl Connor's W.A.D.A. team took 3 points from Laird's Sign Hangers, to chalk up their second win in as many starts this season. Truman Bennett and Jimmy Gilligan were high for the W.A.D.A. with totals of 291 and 281, respectively. Willie Mosack was high for Lairds with 283.

Benny's Radiomen defeated the S.P.M. Class by a 3 to 1 count in a very close match, the totals being 1352 for the Radiomen and 1323 for the S.P.M. Class. Harold Maynard led both teams with a 301 total. Neil Byam, one of the most popular bowlers in Greater Boston, made his first appearance in two years on the local alleys and he proved he lost none of his old time skill by turning in a 297 total.

George Webber's Forum team won three points from Freddy Doucette's North End team in another close match. Doug Campbell, with a single of 120 and total of 286, led both teams in scoring. The North End boys may not win many points but they sure can create a lot of laughs for the fans, especially Les Durkee and Mike Bregna.

APPRECIATION

Board of Selectmen,
Wilmington, Mass.
Dear Sirs:

During the recent bereavement of my wife, I wish to express my appreciation to you for the kindness shown to me by the Wilmington Police Dept., under the direction of Chief Harry Ainsworth. Their services, entirely unsolicited, certainly did not go unnoticed by me or my many friends from out of town. Such services as the Dept. rendered, bespeak the noble character of the man in charge.

I am deeply grateful and I shall never forget this kind act of the Wilmington Police Dept. during my wife's funeral, and I hope some day I may find an occasion to be of service to Chief Ainsworth or his men.

Sincerely yours,
Francis E. Hardy.

SCOUT NEWS

Our regular monthly Court of Honor was held last Friday night, October 14, 1938 with a very good attendance.

There were thirty-one boys, two officers, three committeemen and several visitors present. The Court was unique in that the officers used a new idea this month. The boys were arrayed in a circle, sitting on the floor facing the candles arrayed on birch logs. It made a very impressive ceremony, recalling the Indian days when they (the Indians) sat around their council fires.

The following boys came before the Court, Robert Peters, Norman Smith, Richard Stevens, all received their tenderfoot pins. Donald Watters received his second class pin. It was awarded by Mr. Simmons, our chairman of the local Court of Honor. Edward Smith, our troop cook, received his service star for two years service in Scouting. Edward has done well during his time as he is now a star Scout, and well on the way to the Eagle.

There was a class in knot tieing and a tenderfoot class. The closing ceremony was put on by the senior patrol leader. All the lights were turned off and a spot light was thrown on the flag then taps were played. The meeting closed at 9:00 P. M.

The Court of Honor will be held on the second Friday of each month hereafter.

On Saturday, October 22, there will be a father and son work hike to our camp at Ballardville Street, for the purpose of finishing the camp. A bake bean supper will be served under the stars at the evening. Also an entertainment will be put on by the boys. All friends of the boys are invited to come and help us, and partake of a good supper in the open.

SALVATION ARMY START DRIVE FOR FUNDS

Woburn, Wilmington and Burlington have grouped in the 1938-1939 Annual Appeal of The Salvation Army in Greater Boston. The local workers have placed under the leadership of Harold F. Johnson, lawyer, of 549 Main Street, Woburn, as Chairman, the Treasurer of the Sponsoring Committee is Herbert Holland of the Woburn Five Cents Savings Bank, Woburn.

In the quota group are some of the leading folk of the three sections who know of the need for funds to continue the 24 units now caring for the friendless of Greater Boston.

Chairman Johnson has made an Appeal to his workers on the basis of the impressive record of achievement of The Salvation Army for an intensive battle for funds.

In a letter he writes Woburn, Wilmington and Burlington men and women, "Its great work in supplying the physical needs of the destitute, and in administering to their spiritual life, is too well known to need further mention."

He adds, "In the scope of its activities, its humaneness of approach, and the results accomplished in relation to cost, the Army stands high among charitable organizations."

The committees are: Woburn: the Rev. Dr. Elton K. Bassett, D.D., Orel M. Dean, Osborne Benamoon, Malcolm Blodgett, the Rev. Dr. Harold C. Bunell, D.D., Mrs. Charles A. Burdett, William M. Cooke, William D. Goddard, the Rev. Dr. Robert M. Gray, D.D., Willis A. Hoboard, Daniel P. Hurld, Mrs. Ada S. Jordan, Hon. William E. Kane, Dr. Elwood I. Militzer, M.D., Arthur J. Moore, Thomas F. AROUND THE FIRE HOUSE

Forest Fire Wardens, Middlesex County, met at Masonic Hall, Wilmington, Thursday evening, with one hundred and fifty present from nineteen towns and cities of the State.

Mr. John Campbell, Supt. of Special Service Boston Edisons Co., President of the Association, presiding. Regular monthly business meeting was held after which Hon. Campbell presented a cup to Ex-Chief Skelton of Burlington, which cup goes to the oldest retiring, active Forest Fire Warden. It formerly was held by Chief Tracy of Woburn for the past four months. Each man's name is inscribed on it when the cup leaves him.

Mr. Hutchins, Dept. Conservation, gave a talk on the condition that our woodlands and forests were left in, after the hurricane.

He explained that the Federal Government is coming to the aid of towns to clean up fire hazards and a letter to this effect went to all towns today from Washington. They will clean up with WPA help 50 to 75 feet back from woodland roads all debris. All that the town has to do is get releases from the people owning these lands.

It will be a one hundred per cent grant from the Federal Government and only needs to be sponsored by the chairman of the Board of Selectmen.

Mr. Richard Smith, Supt of Harold Parker Forest, tomorrow is making a survey of these conditions in the woodlands and the project will be started just as soon as a group of owners or owner of land which has a serious fire hazard, signs a request.

This flammable material which is laying around is a menace to life and property and with a dry spell if it is once ignited, will surely mean the loss of thousands of dollars of valuation in timber and homes, especially in the Silver Lake district as explained by Chief Day and will be more so if left until the Spring.

Warren Foundry & Pipe Corp. of N. Y. put on a picture explaining the Cast Iron Pipe and its benefits.

A collations was served after the picture. The next monthly meeting is to be held at Burlington.
